

akomo.

INDUSTRY Acoustic downlight

The name of this model is derived from the industrial character that this form carries. Although the industrial revolution represents the transition from artisanal to machine-made goods, this design is realized by both forms. The Industry is mechanically milled and finished off by hand forming the curves. The Industry is available in 2 models, with a deep or shallow recess at the bottom.

Application

- Ceiling

Properties

- Sound Absorbing
- Lightweight
- High aesthetic value

Mounting

Installation is very easy as each unit is hung individually.

Cleaning

Can be dusted daily with vacuum cleaner.

Technical specifications

Size

Ø 600 mm; H 600 mm;

Sound absorption foam

NRC 0,95

Base Material

Basotect absorption foam

Colour & Finish

See colour chart; Flock

Extra

Standard phase-cut dimmable, Cable length 2m

Light source

LED Cone, 760 Lumen,
7 Watt incl. driver 2700 K

Colour Temperature

3000 K
